SOARING TO **NEW**

# HEIGHTS

We ascend to the next level of development by transforming our business model and successfully diversifying our earnings base.

# SPREADING OUR

# WINGS

Through new partnerships to sell jet fuel and other oil products internationally, we continue to strengthen our capabilities and expand in the region and beyond.

# NAVIGATING WITH CLEAR

# DIRECTION

We are committed to risk management practices that provide sound support to the company as we implement our corporate strategy.
