ANNUAL REPORT 2013

# ISETAN *Jurong East*

Isetan Singapore marked a new milestone by opening its 6th store in Singapore on 2 December 2013. The new Isetan Jurong East at Westgate focuses on creating a whole new Japanese modern lifestyle for our customers that is inspired by four elements - **Japanese Sense, Sophistication, Comfort, Safety and Ease.**

The 60,000 ft<sup>2</sup> store occupies three levels in Westgate which is located next to the Jurong East MRT. From the latest Beauty Brands and Ladies accessories to fashionable Ladies and Men's wear, travel and household items, the store offers a wide choice of merchandise to our customers.

The store also houses our first **Isetan Super Market** in the suburbs. With more than three quarters of our products coming from Japan, the supermarket brings a new dimension to grocery shopping in the West. Customers can also look forward to our popular Japanese Food Fairs such as Hokkaido Fair and Kyushu Fair at the store.
