Diversifying Capabilities

ANNUAL REPORT 2013

Our Products

Pharmesis International Ltd., is a pharmaceutical company in the PRC which can trace its origins back to 1996.

Our pharmaceutical products include prescribed products and over-the-counter (OTC) drugs.

Pharmaceutical products include western medicine products under the “国嘉” brand and TCM formulated products under the “古蔺肝苏” brand.

Our two GMP-compliant production facilities, with a total land area of approximately 41,000 sqm, are located in Chengdu and Gulin, PRC. We emphasize strict quality control procedures for our products at every stage of our production process, from the selection of raw materials up to finished products.
